

Data Request

Dear Hugh/Eileen,

It's Paul here from the Open Data Unit, hope all is well.

We have recently received some data requests in relation to vegetation mapping. Can you let me know when your most recent vegetation mapping data was created and when it can be published on the open data portal in open format.

If your organisation has these or similar data, it is likely to qualify under the recently transposed Open Data Directive <https://data.gov.ie/blog/the-new-open-data-directive-what-will-it-mean-for-public-bodies> . Please consider making these available as open data via the open data portal as soon as possible.

Kind regards,

Paul Fitzpatrick,
