Subject: AIE 21/179

Good Morning All,

We have recently received an AIE request (AIE 21/179) regarding clear-felling works under felling licence TFL00376919 that have caused environmental damage and are resulting in a serious risk of pollution.

If you could please forward any relevant documents to the FSU it would be greatly appreciated.

Many thanks for your help in this matter

The information requested is:

- 1. All post licence records relating to Tree Felling Licence TFL00376919, including all correspondence between parties.**

Records to include all internal and external correspondence, commencement of operations notices, first and third party inspection reports (including Inspector's field notes), etc.

Many thanks for your help in this matter

Jane,

I am writing to notify you of a pollution incident on a forest harvesting site (see my attached report for site details etc.). Sediment is entering a stream. Any comments/advice is welcomed.

Regards,
Brian Mahoney
