Hi Alan,

I'm just following up on the 2021 AIFs to update the file tracker and to see which cases can be closed off and which need further action.

AIF 14 of 21 – see tracker attached and inspectors recommendation on the second tab.

Do you hear anything back from [REDACTED] [REDACTED] ?

It was recommended that a cease and desist letter should issue but we haven't been able to identify the land owner for the area in question.

Thanks

Yvonne
