Re: Destruction of trees at Deerpark Forest Virginia, Co. Cavan

We wish to advise you that we have received a complaint regarding the damage to Deerpark Forest. The site referred to is part of the Lough Ramor proposed Natural Heritage Area.

The complainant is concerned that the site has been cleared to facilitate the extension to the nearby Rugby Club despite the refusal to grant Planning Permission by An Bord Pleanála for the same development.

The complainant is concerned that the proper permits and licences have not been issued to allow the removal of such a large area of native trees from the site.

Please acknowledge receipt of this letter and confirm whether the felling has been licenced and if the proper assessments were carried out.

Yours sincerely

Linda Bradley
