**Re: Vartry Water Supply Project - Water Treatment Plant & Reservoir  
Upgrade Contract: PL27.247745 (PRR 16/363)**

Dear Sir/Madam,

We refer to your letter dated 1<sup>st</sup> November 2018 and clarify that the option to supply the existing filter canal system from the outlet pipe from the washwater tanks is omitted from the contract. This was not correctly reflected in the CEMP submitted.

We note your agreement in principle that the CEMP accords with the provisions of condition 6 and trust that the above clarification allows you to confirm that the CEMP is acceptable and in compliance with Condition 6.

We would appreciate confirmation of the above at your earliest possible convenience to allow works progress on site. Should you have any further queries please do not hesitate to contact the undersigned.

Yours faithfully,

**Jim Oliver**
