**RE: PLANNING PERMISSION REFERENCE 16/363 – RESPONSE TO CONDITION
NO. 7 A) TO 7 D)**

Dear Sir/Madam,

With reference to Planning Permission Reference No. 16/323 for development of Vartry Water Treatment Site, Vartry, Roundwood Co. Wicklow, we respond to Condition 7 in relation to the protection of architectural heritage as follows.

Condition 7a)

The Built Heritage Assessment report shall be supplemented by specific details of the fittings and features on the site which are to be retained and where they will be stored pending any future display.

Response:

Refer enclosed report Vartry Water Supply Project: Record of Heritage Structures.

Condition 7b)

The detailed design of the works to the tower and at the entrance to the valve chamber and the implementation of those works shall be supervised by an accredited Conservation Architect. On completion of the works, the Conservation Architect shall certify compliance with best practice.

Response:

The detailed design of the works to the tower and the entrance works to the valve

chamber, and the implementation of those works, is being monitored by Mr. Rob Goodbody, an accredited Conservation Architect for Historic Building Consultants with the following qualifications: BA (mod) TCD – Historical geography; post-grad Diploma in Environmental Planning; MA in Local History (NUI Maynooth); Masters in urban Planning and building Conservation (UCD); post-grad Diploma in Applied Building Repair and Conservation (TCD); Member of the Irish Planning Institute. On completion of the works Mr. Goodbody will certify compliance with best practice.

Condition 7c)

Prior to commencement of works, the Conservation Architect shall prepare a record of the features of interest at the site. This record shall include a detailed, labelled photographic survey of all structures, including the spillway and of fittings and features.

Response:

Refer enclosed report Vartry Water Supply Project: Record of Heritage Structures.

Condition 7d)

This record shall be submitted to the planning authority prior to commencement of development and one copy of this record shall be submitted to the Irish Architectural Archive.

Response:

Refer enclosed report Vartry Water Supply Project: Record of Heritage Structures. One copy of this report has been submitted to the Irish Architectural Archive.

Yours faithfully,

Jim Oliver
