**Re: Local Government (Water Pollution) Acts 1977 – 1990  
Licence Ref No. W 294/94R1**

A Chara,

On the 5<sup>th</sup> July 2022 a site inspection was carried out on your wastewater treatment plant and polishing filter at Kylemore Abbey, Pollacappul, County Galway. A sample was taken of the wastewater prior to discharge to the polishing filter.

Standards for several parameters are set under Condition 2.3 of your discharge licence W 294/94R1. The results show non-compliances with the conditions of your licence. Please ensure ongoing maintenance of the treatment plant.

If you have any queries please contact David O Connell at 087 2747926.

Mise le meas,

---
