Tree Felling Licence issued WW02-FL0099 under Forestry Act 2014

Dear Sir/Madam,

I refer to your application for a Tree Felling Licence and I am pleased to enclose same.

If you are dissatisfied with this decision, it is open to you to appeal against it to the Forestry Appeals Committee (FAC), which operates independently of this Department. In accordance with the provisions of the Forestry Appeals Committee Regulations 2020 (S.I. No. 418 of 2020 as amended by S.I. No. 353 of 2021) a notice of appeal must be received **within the statutory 14-day deadline** and in a format required by the Committee. The notice of appeal must be accompanied by the relevant fee and must include your name and address, grounds of appeal including the facts and contentions on which you intend to rely together with such documentary evidence that you wish to submit in support of your appeal. The fee for an appeal to the Forestry Appeals Committee is €200.

A Notice of Appeal Form for Appeals to the FAC can be found on www.agriappeals.gov.ie/forestryappealscommittee. Copies can also be obtained by calling the FAC on 057 863 1900 or e-mail: forestry@agriappeals.gov.ie

Submission of appeals

Appeals may be submitted by post and the fee of €200 (payable by way of postal order, bank draft or cheque) must accompany each notice of appeal otherwise it cannot be accepted. The postal address is **Forestry Appeals Committee, Agriculture Appeals Office, Kilminchy Court, Portlaoise, Co. Laois, R32 DTW5**. The Notice of Appeal Form must be signed by the Appellant. **Appeals and payments that are not received within the statutory 14-day deadline cannot be accepted.**

An inspection of the plantation may be arranged at a later date, to check on the utilisation of the licence.

Yours sincerely,

Date: 09/08/2022

FORESTRY ACT, 2014

TREE FELLING LICENCE

Pursuant to the powers invested in him under the Forestry Act 2014, the Minister for Agriculture, Food and the Marine hereby grants to the person specified in Schedule 1 (hereafter referred to as the Licensee) a licence authorising the felling of trees as Specified in Schedule 2 subject to any conditions specified in any part of this licence.

This licence confers no title to the ownership of any land or trees specified herein and the conditions specified in the licence are binding on the owner of the land.

The authority granted under this licence does not remove the obligation on the licensee to abide by and fulfil the requirements of any other legislation.

During the period of the licence, the licence shall be for the benefit of the land and any conditions attached to this licence shall be binding on any owner thereof.

Where an unexpired felling licence exists for any part of lands delineated in this Tree Felling Licence it is important to note that this Tree Felling Licence will take precedence over the same areas delineated in the earlier licence.

The authority conferred by this licence will be exercisable **until 31/12/2024** unless it is terminated by the Minister before the expiration of this period.

Signed on behalf of the Minister for Agriculture, Food and the Marine

Conditions attached to this Licence

- 1 The licensee shall ensure that all felling and planting operation are carried out in accordance with Forestry and Water Quality, Forestry Biodiversity, Forest Harvesting and the Environment, Forestry and Archaeology, Forestry and the Landscape and Forestry and Aerial Fertilisation guidelines and the Code of Best Forest Practice – Ireland and the Irish National Forest Standard published by the Department, except as may otherwise be required in order to comply with the following conditions. **Reason: In the interest of protection of the environment during harvesting and restocking of the felled area.**
- 2 The licensee shall treat all conifer stumps with urea immediately upon tree felling where the soil type is mineral soil or where a peat soil is less than 25cm (excluding the litter layer). Treatment is not required where a conifer stand is being replanted with broadleaves, where the conifer is in a broadleaf stand is being removed or where broadleaves make up greater than 85% of the stand. The correct solution mixing rate is 1 kg of fertiliser grade urea, 5 litres of water and one bottle of dye. Urea should not be applied to stumps with the buffer zones required by the Forestry and Water Quality guidelines nor by the Forestry and Freshwater Mussel Requirements. **Reason: In the interest of preventing infection by butt rot (Heterobasidion annosum) of the trees remaining following harvesting operations.**
- 3 The licensee shall, until the expiration of eleven years from the date on which the authority conferred by the licence ceases to be exercisable or ten years from the date of planting, whichever is the later, preserve, in accordance with good forest practice, the trees planted as instructed in Schedule 3 and shall for that purpose maintain in good repair and effective condition all fences and other protection necessary to protect such trees from being injured or destroyed by the trespass of animals. **Reason: In the interest of the appropriate management, protection and maintenance of the forest area planted after trees within the licenced area have been felled.**
- 4 All aerial fertilisation of restocking sites requires prior written approval of this Department. **Reason: In the interest of sustainable forest management and protection of the environment.**
- 5 The public road network and associated roadside drainage must not be adversely affected whilst carrying out felling operations. The applicant may be held liable for any damage caused to a public road as a result of works and/or haulage operation associated with utilisation of this licence under the Roads Act 1993, Section 13(10)(a). **Reason: To protect the public road network and to clarify the extent of the permission in the interest of traffic safety and orderly development.**
- 6 FELLING OPERATIONS MUST NOT COMMENCE UNTIL AT LEAST 14 DAYS HAVE ELAPSED AFTER THE DATE OF SIGNATURE OF THIS LICENCE. **Reason: To allow for receipt of any appeals (from any party) by the Forestry Appeals Committee in relation to the granting of this licence.**
- 7 A Site Notice must be completed and erected in accordance with circular 17/2020 at: <https://www.gov.ie/en/collection/c04fb-forestry-grants-and-premium-schemes-2014-2020-circulars/#2020-circulars> . **Reason: In the interest of providing a publication notification in respect of the proposed harvesting operations and any associated replanting activity.**
- 8 IFI personnel (roisin.ocallaghan@fisheriesireland.ie) must be contacted at least two weeks prior to the commencement of operations. **Reason: So that IFI can carry out their statutory functions.**

- 9 The applicant must adhere to the mitigation measures specified in the Attached Appropriate Assessment Determination Document. **Reason: In the interest of sustainable forest management and protection of the environment.**

- 10 Ground stability should be kept under constant review, the felling operation must not create unstable ground conditions or result in post harvesting ground instability. **Reason: In the interest of the protection of soil stability and water quality during harvesting and restocking operations.**
