Looks like one for Shane. Maurice is his line manager.

Hi Ferdia, are you Shane's line manager? Keen to have a chat with someone who could advise me if Shane can assist with this on his return. If not, we might need to call on Aine?

Hi Shane,

Message left on your mobile, if possible could you give me a quick ring to see if an hydrological issue we have locally is within your remit to advise us. We have an application for consent for water abstraction from a river SAC and SPA in Kilkenny. The matter is somewhat urgent as the application follows our action in law enforcement mode.

If you have a chance, quick call?
