**Subject:** Re: Water abstraction from River Nore SAC

Colleagues,

I have read Jimi's report. I am unsure if

1. Jimi asked the individual to stop abstracting water
2. We gave him or directed him to a method of applying for an ARC.
3. Does the activity constitute significance (I know that we do not have a screening report)

We will need to decide a course of action on this immediately. Let me know.

Regards Padraig

**Subject:** Water abstraction from River Nore SAC

Ciarán,

Please see attached report on the water abstraction at River Nore, [REDACTED] Kilkenny.
