Subject: RE: Query re Spraying of Potato crop at [REDACTED]

Ciara,

The crop is not within the SAC. The boundary for the site is 2.5metres from the River bank at the northern end and the fence at the edge of the linear woodland for the remainder.

Regards,
Jimi

Jimi,

Could you establish and confirm if any of the potato crop at [REDACTED] (and therefore the spraying) is within SAC or SPA.

Ciara O Mahony
