Hi Ann Marie,

Apologies for the delay coming back to you.

There appears to be no Tree Felling Licence issued to fell the trees in plot 003 on the map below.

Thinning Licence GFL18883 issued to the Forest Owner on 16/03/2016 for 5 years but the plot below was not included.

If the trees have been cleared they have been done so illegally.

Cc'ing AIF Section for Info.

AIF Section,

I've attached screenshots from IFORIS and Land Direct and copy of the Folio. The location of the plot below is unregistered on Land Direct but there are other plots on CN16065 which belong to

If there is anything further anyone needs please let me know?

Thanks,

Therese.
