Hi Karl,

It might be better to hold the Cease operations until February and certainly until the current phase of Atlantic storms are finished. We have more to come.

I will put this issue on the list for discussion with Coillte at our next road discussion.

Best regards
Ciaran

To Felling Admin

Please find attached inspection report for issue.

Ciaran

Just following up on this case, as discussed remedial works have been completed. We recommend that the cease Operations Notice remains in place until the summer.
