Further to meeting with Coillte on Friday, attached is draft Coillte PR in respect of the upcoming forestry fund. Coillte is named as operational manager for the forests developed under the Fund, which is the case. This will be released in the next day or two.

As mentioned at meeting with Coillte, there is currently a request from Coillte to invest in the Fund with NewERA who are to advise the two shareholders MPER and MAFM in the matter.

Regards

Patricia

Hi Patricia

following on from my voicemail just now and your discussion with Imelda/Bernie on Friday, please see attached the press release in respect of the upcoming forestry fund.

The current expectation is that some of the parties will formally invest in the fund over the next day or so with announcement to follow shortly thereafter. I will keep you updated on this over the next few days.

Give me a call at any stage if any queries.

Regards

Dominic
