Hi Anne,
I hope all is well. Thanks for your email with confirmation on the submission success. Also for the clarification that the NWCS is to be included. We will scope out the extra effort that will be associated with that and agree any extra costs with you in advance.
Looking forward to moving ahead with the project and working with you and the wider team.
Kind regards,
Damien

Damien

Please find attached letter in connection with the above Request for Quote process, informing you that your quotation submission has been successful.

Further to a recent discussion between Patricia Kelly and yourself with respect to the scope of the RFQ, I wish to confirm that the training needs analysis should also cover the Native Woodland Conservation Scheme (NWCS) application and the various associated documents. This will be reflected in the Contract documents, which I will forward to you for signing early next week, once they have been finalised with our Procurement Section. At that stage I will also arrange a meeting between DAFM staff and Auxilia to agree on the next steps for the project. I look forward to working with you and the Auxilia team in the coming months.

Kind regards

Anne
