Hi Henry,

The only observation from here is in relation to question's 8 to 11 on the forest owners questionnaire is that forest owners don't generally use iforis unless they are also an agent.

Hi Marie,

As requested, please find attached the proposed list of questions which will form the questionnaire(s) for SurveyMonkey. The questions have already been the subject of input and feedback from a number of representative organisations.

We propose to launch the survey next week, so if you have any feedback please let me know by early next week.

Best Regards

Henry
