- Please note responses to individual questions will NOT be scored separately but collectively they will provide a basis for assessing the merits of the tenderer's overall response to each award criterion and sub-criterion.
- Only those Tenderers who have qualified in accordance with paragraph 3.2 of this RFT will proceed to be evaluated under this paragraph 3.3.1
- Where specifications include reference to manufacturer or brand names this is a result of difficulties in specifying the product required. In these instances the phrase "or equivalent" is inferred.
- Compliance with all the standards as regards health and safety, quality assurance and analytical protocols is expected.
- It is acknowledged that each Tender's product line may differ from these specifications. As such, each seller is free to propose variances from these specifications. Alternative proposals favourable to the Contracting Authority may be suggested. It is required, however, that, whenever a variance from these specifications occurs, the proposed item must meet or **exceed** the specified characteristics or level of performance.
- The award of any contract is subject to the successful tenderer meeting the required specification and standards as set out in the SRFT, Appendix 1 and Appendix 2. Should the required specification and standards not be met, the EPS reserves the right, in consultation with the Contracting Authority, to award any contract to the next highest-ranked Tenderer.
- If the evaluation outcome results in a tie between two or more Tenders, then the Tender with the highest score for the highest weighted criterion shall be deemed the most economically advantageous tender. If the score remains in a tie, the remaining criterion will be assessed by the highest weighted until there is no longer a tie. If the score remains a tie after all criterion are assessed, the tenderers will be asked to submit a Best and Final Offer (BAFO).

*A failure to answer question(s) may leave the contracting authority with insufficient information on which to base a thorough evaluation and in turn may result in loss of marks in respect of the relevant Award Criterion. Therefore, please ensure you complete ALL sections of this questionnaire.*

The award of contract will be on the basis of **the Most Economically Advantageous Tender** received, in accordance with the detailed award criteria and weightings set out above.

The lowest Ultimate Cost tender, will receive the maximum score achievable under this criterion.

Pricing Score = 
$$\frac{\text{Lowest Tendered Price} \times \text{Max Points}}{\text{Price of bid being evaluated}}$$

Responses for non-cost Award Criteria items will be scored using the following matrix:

Scoring Methodology	
Score	Meaning
5	Excellent response that fully meets and exceeds the minimum requirements, and provides very comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard.
4	A very good response that meets the minimum requirements and exceeds them in some respects. Response provides detailed assurance that the Tenderer will deliver to a very good or high standard.
3	A satisfactory response which demonstrates a reasonable understanding of minimum requirements and gives reasonable assurance of delivery to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark.
2	A response where reservations exist. Lacks full credibility/convincing detail, and does not provide confidence to the Contracting Authority that the minimum required Goods and associated Services/Goods will be successfully delivered.
1	A response where serious reservations exist. This may be because, for example, insufficient detail is provided, or the response has fundamental flaws, or is seriously inadequate or seriously lacks credibility with a high risk of non-delivery.
