## Right to Know

### Re: AIE request REF: 23/24

Dear Sir/Madam,

I refer to your request under the European Communities (Access to Information on the Environment) Regulations 2007 to 2014 for information held by this Council. A decision has now been made by Ms Siobhan Gillen, Administrative Officer, Planning.

Please see response to your question below:-

"Under the AIE Regs to request any correspondence / records related to peat extraction on the following site: Site S01 – Annaghbeg or Monasteraden and Tawnymucklagh, Co. Sligo. Please include any internal CoCo records, any correspondence with the EPA and any correspondence with landowners and/or peat extraction contractors. Please restrict this AIE request to the years 2023-2024"

**There is an Open Enforcement file relating to the commercial extraction of peat at Annaghbeg/Monasteraden bog.**

**As this is an open enforcement file no correspondence can be released at this time.**
