Enforcement of Unauthorised Peat Extraction Sites

Dear Ms. O' Brien,

Further to your letter dated 28/06/23 in which 9 sites were identified within the administrative area of Kildare County Council, a comprehensive review was undertaken in relation to each of the sites.

Following this review it has been determined that no enforcement action has been initiated since 2013 in relation to each of the 9 identified sites.

Yours sincerely,

Gabriel Conlon,
Senior Executive Officer
Planning Department
