A Chara

I refer to your attached request, dated 17th December 2024, which you have made under the European Communities (Access to Information on the Environment) Regulations 2007 to 2018 (S.I. No. 133 of 2007, S.I. No. 662 of 2011, S.I. 615 of 2014 and S.I. No. 309 of 2018) (hereafter referred to as the AIE Regulations) for access to environmental information held by Roscommon County Council.

Your request is regarded as having been received by Roscommon County Council on 18th December 2024 as it arrived by email outside of office opening hours on 17th December 2024.

I also refer to my attached e-mail dated 18th December 2024 which acknowledged receipt of your request.

As indicated in this acknowledgement, Roscommon County Council is obliged to notify you of its decision on your request within one month of its receipt. However, Article 7(2)(b) of the AIE Regulations allows a public body to extend this time period up to a maximum of 2 months from the date that the request was received, where it is unable, due to the volume or complexity of the request, to make a decision within the original one month period.

In respect of your request, due to the large number of records that it encompasses and/or its complexity, it will not be possible to make a decision on your request within the standard one-month timeframe.

Accordingly, I am extending the timeframe for dealing with your request up to a maximum of two months from the date that it was received. I will notify you of my decision as soon as possible, but at the latest by 17th February 2025.

Please contact me at 090 6637122 / aieoff@roscommoncoco.ie if I can assist you in any matter relating to your request.
