

Requirement to Cease Operations under Section 24(1)d

Cease Operations Ref No.: **WW10-FL0237**

I *Karl Coggins* in exercise of the powers conferred on me as an authorised officer by-

- Section 23 of the Forestry Act 2014 (No. 31 of 2014)

For the purposes of the enforcements of statutory provisions set out in –

- Section 24(1)d of the Forestry Act 2014,

Require that all operations within the boundaries specified under licence reference number **WW10-FL0237** cease immediately. This will facilitate the Department in completing its examination of the site to confirm that any further operations that may take place within the boundaries of the site referred to in the felling licence referenced above, present no risk to water quality or adjoining habitats and are compliant with conditions set out in the licence.
