Wood pigeon			S	
Cuckoo			S	
Rook			S	
Pheasant			S	
Robin			S	
Dunnock			S	
Chiffchaff			S	
Yellowhammer			S	
Willow Warbler			S	
Blackcap			H	
Meadow pipit			H	Upland heath
Buzzard		1	F	Hovering in the sky hunting for prey
Kestral		1	F	Hunting
Other records of interest (plants, mammals, inverts, etc.)				

Summary of Main Findings:

Conducted a walkover survey while conducting a HH breeding habitat survey on a 750m buffer around the HU [REDACTED]. Suitable breeding habitat was observed however no HH were recorded.

Recommended Next Steps:

Survey again to determine the presence or absence of HH.

Survey Limitations:

Conducted the survey in better weather conditions? Visibility quite poor.
