Subject: Forest Strategy Implementation Plan consultation submissions

Hi Sinead,

Our FSIP consultation closed yesterday.

We received 149 submissions in total and I have saved a spreadsheet with these and any attachments received in the folder called **FSIP Submissions** at:

<https://tia.daxfer.srd.ie/index.php/s/DtwYf3TLfWQgBZ9> . The password is still Submissions22!

This link will expire after 14 days.

I have numbered the submissions 1-149 and used the corresponding number for any related attachments.

Where no attachment is provided the text in the column titled 'Please use the space provided to write your submission/comment. Alternatively, you can upload your submission below' contains the text of the submission.

As you know, we also had a consultation on the draft Forest Strategy and some of the submissions we received for this consultation are relevant.

These are saved at the link above in a folder called **Submissions received on Strategy relevant to FSIP**.

We are expecting a couple of more submissions for people who needed to make a late submission so we will send those over separately once we have them.

I will also plan to send over responses from the statutory consultees in the next couple of days.

If you need anything from us just let me know.

Best regards,
Janet
