

Appendix 3 Inspection Site Photos 05th of January 2023

The photos below were taken with a DAFM issued phone, before being e-mailed, as attachments, to my work e-mail and subsequently included in this statement. The photos contained within this statement were taken by myself on the 05th of January 2023, during an inspection of the site. The photos represent the complete set of photos taken by me. There has been no editing of the photos.
