Thanks, folks. Really good brief.

Lunch went fine. Two main things that came up were (i) appointment of [REDACTED] successor, and two upcoming Board appointment renewals, in as timely a manner as possible, and (ii) Project Prime consent.

Can discuss further at our catch-up next Wednesday.

Regards,

Paul

Hi Jacquie

Just sending this now in case I forget to mention it tomorrow but could you see if you can find a time please for Paul Savage to chat to MoS before lunch with Imelda and Vivienne. Ideally after 12:30 if possible as I'd like to join and will be out at adviser meeting til then.

Thanks

Declan
