To whom it may concern

As part of the conditions of the above felling license Coillte were asked to email confirmation of starting date etc of the above license so please take this email as same.
We'd expect to start around 30th of July and will take around 2 months to complete and all timber will be double handled along agreed haulage routes to the double handling bay at the quarry in Aughnasheelin.

Please come back to me should you require anything further from me.

Thanks and regards Seimie
