Hi [REDACTED]

I have investigated this matter further and reviewed the application form for the supply.

Unfortunately due to GDPR ,I am restricted in my response in regards to an individual customer.

In relation to your question regarding planning permission for electricity connections.

Not all connections require planning permission and depends on what the customer applied for.

Please forward my details onto Martin Dowling from Kildare County Council, if he would like to contact me.

Regards

Hi [REDACTED]

Can you give me some more information on the location.

The only supply on our system in that general area is a domestic customer connected many years ago.

Do you Have a name of the customer in question?
