Dear [REDACTED],

[REDACTED] in the Forest Service gave me your contact details.

I wonder could we set up a meeting with yourselves to look at the Winter 2025 Grid Resilience Plan? I know you have held some discussions with Coillte and the Department, but it would be very helpful if we could take a look at the plans and implications for private forest owners.

I am on leave next week, but perhaps we could meet in Ibec or at your offices the week after?

Many thanks
