Subject: Follow-up

Hi [REDACTED]

Just following up from yesterday. Can you give [REDACTED] my details or pass on their details to me. I would like to move on with overlaying the known forest location to our GIS and let them know where our P1 sites are. Also, it would be helpful to know where they intend to cut in '25 & '26 which allow us to coordinate our resources appropriately. There was a site mentioned by [REDACTED] that is tied up in appeals that impacts our Network, I would like to have a look and see what can be done. Finally, I would like to arrange the site visit with [REDACTED] to prevent any future issues with land access. Have a lovely weekend.

Regards,
