Dear Wicklow to Greystones Greenway Project,

I am again requesting GIS (geospatial data, e.g., shapefile) for the Emerging Preferred Route of the Wicklow to Greystones Greenway Project so as I may make informed and meaningful submissions to the 'Wicklow to Greystones Greenway: Non - Statutory Public Consultation - Emerging Preferred Route'. My previous request was made via the website contact form and received no response.

Please provide this interoperable format at your earliest convenience so that I am in a position to make informed and meaningful submissions to the consultation.

Regards,

[redacted]
