Hi Milda,

See attached the Peatlands concept proposed by Coillte in Derryclare and the proposed Work Packages. The NRL came up in a meeting last week under WP6 and the query was '**As regards the Nature Restoration Law Implementation Plan, are there any specific deliverables that would be useful to receive from this project?**' (Page 3 WP6 of the discussion notes)

Would you mind having a look and putting a few lines together that I can send back to Sonja Maurus.

Regards,

Conor Dowling
