Dear Ciaran,

Please find attached the Department's funding approval in relation to expenditure related to the preparatory & engagement phase of the Western Peatlands Project.

As mentioned in the letter, we would be happy to engage on options beyond the Project preparatory & engagement phase and this process can start as soon as the Department will have received the updated Concept Note and forecast on expected income from timber sales.

If you require any further information or if you have any questions in relation to the letter, please don't hesitate to contact me.

Best regards,

Sonja
